Interlibrary Loan from the MnWest or ALL MnPals Libraries’ Book Collections ~
Making Borrowing easy!

To get started, go to the LARC-LIBRARY page, enter a book title or subject on the Books and More search screen.
To search at all MnPALS libraries, in the **select a location**: under the search box at the top, find All MnPALS Libraries at the top of the list from the drop-down menu.

Note the limiters on the right side of the page to select the Format, etc., that you would like to use, like BOOK only.
Click on a Title you would like to borrow – it can be from any of the MnPALS libraries. Click on Request Item that is at the bottom of the record.

The time it takes to receive the book is generally under a week.
When you click on **Request Item**, a form to order this book through interlibrary loan comes up. Your user name is your library 14-digit barcode or **your STAR ID**, and the password is your last name or your **STAR ID Password**.
Be sure to click on the **Pickup Location** that is most convenient for you to pick up the item. The LARC staff will notify you when the item comes in. If you are off campus, and can’t get to a Minnesota West LARC, click on the nearest one, and put a note in the Comments that you need the item mailed to you. We will send the item(s) out at our earliest convenience.

Interlibrary Loaned materials generally come in a few days, and are checked out for at least three weeks.
This screen shows that your request was successfully sent to the next step in the process. It also shows your past history of ILL Requests.

Interlibrary Loaned materials generally come in a few days, and are checked out for at least three weeks.

For any additional information contact the nearest LARC:

Canby Campus
